Elios Mernica

Vushtrri, Kosovo | +383 49 363 163 | eliosmernica@gmail.com | github.com/eliosmernica15

Driven software engineering student specializing in front-end and full-stack web development. Experienced in building modern, responsive web applications using React, TypeScript, and Node.js. Passionate about clean code, intuitive UI/UX, and continuous learning, with a focus on client-oriented solutions.

PROFESSIONAL EXPERIENCE

Innovation Academy **2023 – 2025**
Web Developer & Designer

- Created and developed visual concepts aligned with project goals and objectives
- Supervised design processes and managed timelines and budgets for design projects
- Built responsive websites using React, Tailwind CSS, and modern web technologies

Linkify **2024**
English Speaking Support

- Provided English-language support bridging communication between technical and non-technical stakeholders

EDUCATION

“Isa Boletini” University – Mitrovica **2025 – Present**
Bachelor in Computer Science and Engineering

Unity Tech Hub **2025 – Present**
Web Development

Innovation Academy **2024 – 2026**
Web & Design Development Course

Front-end development certification, progressing from fundamentals to modern frameworks (React.js).

“Eqrem Çabej”, Vushtrri **2022 – 2025**
Natural Science — High School Diploma

The Cambridge School **2015 – 2024**
English Speaking Development

Native-level American English certification.

PROJECTS

• **Foodery** — Full-stack food delivery ecosystem with real-time tracking. Built with Next.js, Supabase, Redis, Framer Motion, and Tailwind CSS.

• **EM E-Commerce Store** — Full-scale digital storefront with dynamic catalog, secure checkout, and high-conversion design. React, Tailwind, Node.js.

• **File Sharing & Link Shortening** — Secure file distribution tool with trackable shortened links. Built with Vite, Firebase, and TypeScript.

• **Note-Taking Web App** — Advanced note-taking system with intelligent auto-organization and cross-platform sync. React, TypeScript, MongoDB.

ADDITIONAL SKILLS

- **Technical Skills:** HTML, CSS, JavaScript, React.js, Tailwind CSS, React Native, Next.js, TypeScript, Node.js, Express, MongoDB, PostgreSQL, Supabase, Firebase, WordPress, Framer Motion
- **Tools:** Git, GitHub, Docker, VS Code, Vite, Postman, Figma, Vercel, Netlify
- **Soft Skills:** Problem Solving, Adaptability, Time Management, Cross-functional Collaboration
- **Languages:** Albanian (Native) and English (Fluent, Cambridge-certified)
